1. Your timely reply to reference 1. is appreciated and I am pleased to know that you do not find the administrative workload burdensome.

2. With respect to your lack of clerical support, I am informed that the Chief, NEA is alert to your needs and has taken the initial steps toward reinforcing your staff. While it is difficult to predict with any degree of accuracy when you may expect this assistance in the field, I am aware of no major obstacles and trust that your situation will soon be alleviated.
